OVERVIEW

Unlimited Wheels is an e-commerce business specializing in automotive wheels. Being a start-up, I handled every aspect of operations, marketing, and customer engagement. From managing day-to-day logistics to optimizing online visibility through SEO and targeted advertising, I played a key role in scaling the business. My ability to blend marketing, technology, and operational efficiency allowed me to create a streamlined and profitable e-commerce platform.

The screenshot shows the homepage of the Unlimited Wheels website. At the top left is the company logo, "Unlimited Wheels" in white script on a red shield-shaped background. To the right of the logo are the operating hours "MON-SAT: 8:00 AM TO 6:00 PM" and the toll-free phone number "TOLL FREE: 800-762-2088". Further to the right is a search bar with the placeholder "Type to search..." and a magnifying glass icon. Below the search bar are links for "LOG IN" (with a user icon), "HOME", "CATALOGUE", "ABOUT US", "BUSINESSES", "CONTACT", and "More". A prominent blue banner across the middle of the page reads "FREE SHIPPING ON ALL ORDERS & SPECIAL 4 WHEEL SET PRICING". Overlaid on a night-time aerial photograph of a multi-lane highway and overpass, large white text says "DON'T MISS OUT ON DRIVING ORDER YOUR OEM WHEELS TODAY!". At the bottom of the page, a white section features the heading "Welcome To Unlimited Wheels" in bold black text, followed by a paragraph of descriptive text about the company's mission and expertise.
